For Caravan Parks & Campfire information, please turn over ☺

Campfire Information

Fires are **not permitted** at any time within a **National or Conservation Parks**.

Exception to campfires are permitted at Antechamber Bay within the pits located on the **South side only** (picnic shelter side).

Please only use the designated fire-pits at Campgrounds and Caravan Parks.

Collection of firewood from National Parks and Reserves is an offence under the National Parks & Wildlife Act 1972 and collection of firewood along roadsides is only permitted with a permit from local council (there are strict requirements relating to these permits). Where possible, the use of liquid fuel or gas stoves is recommended.

Fire Ban Season starts on 1st December to 30th April. Fires are **not permitted** during the Fire Ban Season.

No fires (including gas) permitted on a Total Fire Ban day! Campgrounds are closed on catastrophic Total Fire Ban days.

To report a fire, phone 000. For more information visit: www.cfs.sa.gov.au

Kangaroo Island Drinking Water

Rain Water - Generally rainwater is safe to drink. If the rainwater is clear, has little taste or smell and is from a well-maintained system, it is probably and unlikely to cause illness for most users. If concerned, distilling the water before consumption can be achieved by bringing the rainwater to the boil.

Mains Water - SA Water provides reticulated water within the bounds of Middle River Water Supply that supplies the townships of Parndana and Kingscote. Also, from the Penneshaw Desalination Plant on Dudley Peninsula which supplies Penneshaw township. The combined systems supply water to around the half of the Kangaroo Island population.

Caravan Parks – Full Facilities (Prices are based on per night. pp = per person)
